The Registrar of all the State Dental Council's/ Dentists Registration Tribunal's in the Country

Sub: Webinars being conducted co-currently with DCI's Webinars and verification of eligible candidates for CDE points for attending DCI's Webinar – Reg.

Sir/Madam,

As you are aware that the Dental Council of India has started the series of webinars as a part of DCI's Continuing Dental Education Program from 28.6.2020 and since then, DCI has webcast 14 Webinars, almost on every Sunday at 1600 hrs.

2. Now, it has come to the notice of DCI that various other authorities are also conducting their Webinars on the same day and time i.e. Sunday at 1600 hrs and therefore their schedule are being clashed with DCI's Webinars which is creating confusion in attendees to attend one of these webinars.
3. In view of the above, you are hereby directed not to grant any permission to any authority to conduct their Webinar concurrently with DCI's Webinars which are presently being held every Sunday at 1600 Hrs. This is to avoid any clash between DCI's and other Webinar/s otherwise it may defeat the purpose of DCI to enhance the knowledge & skills and to keep pace with the modern technologies, development & research in the field of Dentistry to all stakeholders and to award them CDE points.
4. This issues with the approval of the Executive Committee of the Dental Council of India (06.10.2020).
5. Further, it is also informed to all the State Dental Councils/Tribunals that the names of all eligible participants for CDE points for attending DCI's Webinar have been uploaded on its Website and may be downloaded from the link i.e. www.dciindia.gov.in/WebinarArchive.aspx for verification, if required.

Yours faithfully,
