Dated the 5 November, 2021

To,

All the Dental Colleges running PG Courses in the Country (as per list enclosed)

Sub: Instructions for uploading/furnishing of the details of foreign nationals students admitted in MDS Course(s)/PG Diploma Course(s) at Dental Colleges on DCI website for the academic session 2021-22.

- Ref.: (1) DCI Circular No.DE-MDS(Gen)Admission-2021/2262 dated 06.10.2021
(2) DCI Circular No.DE-MDS(Gen)Admission-2021/2789 dated 29.10.2021

Sir,

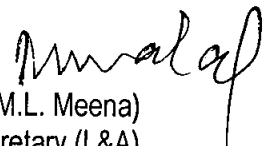

I am directed to refer to this Council's Circular No.DE-MDS(Gen)Admission-2021/2262 dated 06.10.2021 and its subsequent reminder dated 29.10.2021 on the subject noted above and to say that in the Circulars under reference all the colleges were directed to upload the details of students admitted by them on immediately after the respective rounds of counseling are over on or before 10.11.2021.

2. It has also been felt by the office that the colleges may face some difficulty in uploading the online details, on DCI website, after admissions of a foreign student in the absence of registration with respective State Dental Council.

3. Keeping in view of hardship to be faced by the colleges in uploading the details of admission to MDS Course in respect of foreign student for the academic year 2021-22 on or before 10.11.2021, it has been decided that if any dental college faces any difficulty in uploading such details only in respect of foreign student, such dental college is hereby advised to send complete details of admission of such foreign student to this Council by email only secy-dci@nic.in on or before 10.11.2021. It may also be again noted this relaxation is applicable only to an admission to MDS Course of foreign student not for Indian student.

4. This issues with the prior approval of the competent authority.

Yours faithfully

(M.L. Meena)
