10. Department: Dental Anatomy, Embryology, Oral Histology and Oral Pathology: details not furnished.
11. Latest AERB Certificates not available.
12. College closed since long time CCTV present but not functioning.
13. Biometric no details.
14. **Observations:**

There was neither Principal nor Dental teaching faculty, nor any Para Medical or Non-Teaching supporting staff in the dental college on 1st day. Moreover, no record of any appointment of Principal, Dental Faculty, or any staff was provided on 1st day so the signatures could not be obtained from them on 1st day.

While entering the dental college it was observe that the building is closed for a long time. Everywhere there was dust, not a single dental chair or any other equipment / Instrument was found to be used since long time. There was not even a single packet of any dental material or local anesthesia or face mask or gloves.

There was no records of any patient attended in the dental college OPD, nor did the authorities made any claim in this regard. So the 6 months dental OPD details could not be filled in the Inspection proforma.

Uncovered electric wires were hanging and false ceiling slabs were about to fall in the lecturer theaters.

On the 2nd day 23.3.2021, Inspectors reached the college at 9:30 am. The dental college building was open however, only safai karmchari were present. There was neither any faculty, nor supporting staff or any body except 3 safai karmchari. The Inspection on 2nd day was also carried out in that office as it was informed that it is not possible to sit in dental college due to abandonee of dust there. They were informed that dental college faculty will be joining the college today.

We kept on waiting in that office at about 12:40 pm faculty members arrived one by one with appointment letter and joining report in the last one week. Appointment letter appeared be issued in haste without any detail regarding monthly pay and emoluments. Even college stamp was not available with the newly appointed principal of the college. There was no detail of any staff appointment process details by proper scheme committee.

There was again no patient in dental college hospital even on 2nd day.

The faculty was possessing joining report 3-9 days before the inspection days, there was no record with their attendance of even a single day before 12:40 pm of 2nd day of Inspection.

Note : Subject to the confirmation of the said Minutes in the next Executive Committee meeting
