To The Principals of all the Dental Colleges in the Country

Sir/Madam,

I am directed to state that the Executive Committee of the DCI at its meeting held on 15th January, 2015 at New Delhi has decided that every dental college in the country has to adopt 2 - 4 villages for Oral Health Awareness & if any tribal area falls within that vicinity then priority should be given to those areas.

With the above, I am directed to request you to kindly adopt at least 2 - 4 villages for Oral Health Awareness for benefit of the general public.

Yours faithfully,

(Col.(Retd.) Dr. S.K. Ojha)
